	Measuring and Working Scientifically	
Computer Science	Architecture: Characteristics of a CPU, Cores, Cache, Clock Speed, CPU registers, low level code, Fetch/Execute Cycle, RAM & ROM, Secondary Storage, Virtual Memory, Embedded systems, Units of storage. Programming: variables, Integer, Real, Boolean, Character, String, Casting constants, , inputs, outputs, assignments, Sequence, Selection (If and Select Case), Iteration (count- and condition-controlled loops), arithmetic operators, relational operators, Boolean operators, string handling. High-level languages, Low-level languages, translators, compiler, interpreter, tools and facilities of an IDE, types of error, Array Variables (1D and 2D), Procedure parameters, Built in Functions, Writing functions, Random number generation. Data storage: binary and hex conversions, Binary shifts, character sets, representation of images and sound, Metadata.	<i>Exercise book(s) with your own notes. Revision Guide (see relevant chapters and attempt practice questions – answers at back of book).</i> <i>Past papers and mark schemes in shared area Shared\Computer Science\Key Stages\Key Stage 4\GCSE Computer Science\PAST PAPERS</i> <i>BBC Bitesize.</i> https://www.youtube.com/ComputerScienceLessons

	Compression: Need for, Lossy, Lossless. Logic: Diagrams using AND, OR and NOT gates, Truth tables. Boolean expressions. Robust programs: Defensive design, Maintainability, Types of testing, test data, syntax and logic errors, Systems software: operating systems, drivers, utilities.	
Core PE	The Run the Blue test is a 1200m fitness test, designed to assess the cardiovascular health of our students. Twice a year, students will run four laps of our astro turf, equating to roughly 1.2km of distance within a lesson. Students are encouraged to run as fast as possible and are ranked based on four categories. We believe that central to our role as physical educators is a duty to ensure that future generations are as healthy as possible. Improvements in cardiorespiratory function are linked with a decreased risk of disease, increased psychosocial health, and increased health longevity.	Students work on improving their run the blue school at the start of each PE lesson. A structured warm up is delivered to all pupils which includes Mobility, strength and Cardiovascular elements. Students can take elements of this and do them at home for further development opportunities.

3D Design	Students will be working on their personal investigation worth 60% of their GCSE. Assessment: 2 hour practical exam to produce a model linked to the development of their theme. Final grade awarded will also consider all of the presentation boards produced for their personal investigation.	• Students need to be producing designs at home for their portfolio • All work to be mounted on A3 boards for final presentation on deadline dates • Students will be provided with assessment criteria An electronic copy of all information will be added to Edulink
Design Technology - Food	Food Safety Cooking food Nutritional needs Understanding recipes Food choices There will also be 20 multiple choice questions as per the actual exam	• Students to use the electronic link to the AQA textbook An electronic copy of all information will be added to Edulink
Drama	<u>Noughts and Crosses:</u>	There will be powerpoints to aid with revision, available on Edulink. Students will have notes for Live Production to revise from also.

	Students answer 4 questions on their set text on a given extract. <u>Live Production:</u> Students answer a question on a piece of live theatre that they have seen.	Websites: Set text: https://www.bbc.co.uk/bitesize/guides/z4dp2sg/revision/1 Live Theatre: https://www.bbc.co.uk/bitesize/guides/zkjsxyc/revision/1
English Language	Complete GCSE English Language Paper 1 Exam	• Reading a range of unseen fiction extracts is one of the best ways of preparing yourself. Pop in to see Mrs Watkins in the library! • Write out the 4 questions, what they involve, how many marks they are worth and what skills they require. Use look, cover, write, check to submit to memory. Knowing this is half the battle! • Practice writing in timed conditions. • Use the revision uploaded onto edulink as well as other online resources, just ensure you are looking at AQA exam board.
English Literature	Complete GCSE English Literature Paper 2: An Inspector Calls, Poetry Anthology and Unseen Poetry	• You need to develop strategies to revise and retain important quotations, terminology and basic plot details. Flashcards and Knowledge Organisers are really helpful here! • Flow charts to establish basic plot details and spider diagrams outlining the importance of different characters can be crucial helpers in a literature exam. • Use the revision uploaded onto edulink as well as other online resources, just ensure you are looking at AQA exam board.
French	All topics in the Studio text book	'In -class revision' will be provided. Classroom exercise book notes Studio text book – vocabulary pages in particular Suggested strategies: Look-cover-write-check Get someone to test you (family/someone in your Form group) Create a Knowledge Organiser/ a spider diagram Create a poster with key phrases on + a sketch to help you remember what they mean.
Geography	• Students will sit a hybrid version of the Unit 1, 2 and 3. There will be questions from the following four sub-topics: • Living World	Students should refer to their knowledge organisers, revision guides (if purchased) <u>BBC Bitesize Revision:</u> Natural Hazards: https://www.bbc.co.uk/bitesize/topics/zcdrbk7 Living World: https://www.bbc.co.uk/bitesize/topics/z2tqwxs Coastal Landscapes: https://www.bbc.co.uk/bitesize/topics/zs3ptyc

	• Coastal Landscapes • River Landscapes - Urban Environments (Unit 2) - Urbanisation - Urbanisation in LIC/NEE's - Unit 3 – Seen and unseen fieldwork	Oak Academy: https://classroom.thenational.academy/subjects-by-key-stage/key-stage-4/subjects/geography
Health and Social Care 2025-26	FINAL PSA Component 2 task scores for task 1 and 2 will be completed and graded for the Assessment Point. This will be completed over a number of lessons- as preparation for the real externally moderated PSA that will happen in the spring window	EduLink revision PowerPoint- shared with the group. • Mr Freeman booklet from lessons.
History	Full Germany Paper (One hour) Adapted Health and the People Paper (One hour)	Shared area GCSE history revision folder- • Fill in flash cards, knowledge organisers, guide to GCSE exam question • RAG rating checklist Mr Jackson's revision channel for Germany: link AQA GCSE History assessment page AQA GCSE History Assessment resources Codes Paper 2 section A option A and Paper 1 section A Option B
GCSE Media Studies	AP 1 will focus on the NEA, for which pupils have to produce a DVD cover and film poster for a new SPY or ROMANCE film. The	Pupils will work on this during the Autumn term, but they will need to make sure that they have followed the instructions in lessons, and come up with a concept for a new film, constructed their poster and DVD cover, and taken relevant photographs

	work they hand in will form the basis of their AP1 grade.	
Maths	Students will sit 3 full practice papers. One will be Non-Calculator and the other two will be Calculator. Each paper is 1 ½ hours long and all rely heavily on clear workings written. All content learnt since year 7 could be on the test as students will sit a full set of real GCSE papers. Students will NOT have covered all content on the papers at this stage of the year so these specific questions will be clearly marked as optional. Students not attempting these questions will not be penalised. Students will NOT be provided with a topic list so that these assessments are as close to the real exams as possible. Please contact CSarson@sphs.uk.com if you have any further questions. Students may wish to use the link below as a revision tick list but please be aware, this is for the whole maths GCSE. Foundation: https://corbettmaths.com/wp-	PLEASE NOTE – FOUNDATION STUDENTS WILL COMPLETE AQA PAPERS AND HIGHER STUDENTS WILL COMPLETE EDEXCEL PAPERS. Students can use their notes and practice questions in their exercise books. Students should also be completing revision using Sparx. They should not only be completing the compulsory homework but also using the ‘independent learning’ section of the website using feedback from their year 10 assessment and the mini-assessments on Mondays. Maths genie is also an excellent resource which provides exam style questions and practice questions with supporting videos. Students should also attend the revision sessions every Thursday (lunch and after school) to support their revision Students will have access to a formula sheet during these mock exams.

	content/uploads/2021/12/AQA-Foundation-Checklist-1.pdf Higher: https://corbettmaths.com/wp-content/uploads/2019/03/Edexcel-Higher-Checklist.pdf	
Music	Full GCSE Music Exam Paper You will be expected to use musical terminology to answer eight questions from all four Areas of Study, describing what you can hear within extracts heard during the assessment. You will need to revise both of the set works in order to complete Familiar & Unfamiliar Listening Questions.	Knowledge Organisers in class work book or on the Shared Area. ‘Africa’ by Toto Youtube revision video: https://www.youtube.com/watch?v=KBS1vxd06C4 ‘Badinerie’ by Bach revision video: https://www.youtube.com/watch?v=PkpxRFBpH2c BBC Bitesize: https://www.bbc.co.uk/bitesize/examspecs/zbmct39 Music Theory (DR G SMITH): https://www.bbc.co.uk/bitesize/topics/zdxh34j Music Theory Tutorials and Quizzes: https://teoria.com/ Practise Listening Questions: https://www.youtube.com/playlist?list=PL-hHhvyimUdLcy92mtCUZL5_grdOyeLXh
