Dear Parent/Carer,

## Essential Equipment for Year 7 – Ready to Learn from Day One

We are very much looking forward to welcoming your child to St Peter's School in September and beginning a successful and exciting journey together through secondary education.

To help ensure that all students are fully prepared and ready to learn from their very first day, we are asking all students to arrive at school with the following essential equipment, contained in a suitable pencil case:

- 1 green pen
- 2 pens (black or blue)
- 1 pencil
- 1 highlighter
- 1 eraser
- 1 sharpener
- 1 15cm ruler
- 1 protractor
- 1 calculator
- 1 A4 whiteboard
- 1 whiteboard pen

These items have been carefully chosen to support learning across all subjects and to minimise any disruption to lessons. Coming equipped with these basic tools allows every child to get started straight away and make the most of every learning opportunity.

While this equipment will be available for purchase via **ParentPay** and from the **school shop** once students have started at St Peter's, it is important that your child arrives on their **first day** with all of these items.

Students who qualify for Pupil Premium funding will receive their *Ready Learn* equipment, at no cost to you, in September. If your child is eligible for Pupil Premium, there is no need to take any further action—we will arrange for their equipment to be distributed in school at the start of term. Students will also be provided with a scientific calculator; they will only get one during their time at St Peters.

Thank you for your support in helping your child to make a confident and well-prepared start at St Peter's. Should you have any questions about this or need assistance, please do not hesitate to contact the school.

Yours sincerely,

**Mrs L Sewell**  
**Vice Principal: Teaching, Learning and Assessment**
