September 2026

The current bus services are listed below. Please book directly with bus company if you wish to book a seat for your child. However, we cannot assume that these will be the same in September and therefore you should check with the individual bus companies. Routes can be obtained from our website.

Whilst we are aware that parents may choose to use cars to drop off and collect students, there are issues of congestion and the impact on our neighbours of the additional traffic. Please consider using the school or public transport where possible.

Families who receive a certain level of benefit will continue to be entitled to free travel. You should contact the Transport and Benefits Team on 01452 425390 or email edsupport@gloucestershire.gov.uk if you have any queries regarding entitlement to a free pass.
