Secondary School Uniform Grant 2026

The school uniform grant which was previously handled by Gloucestershire County Council became the responsibility of each secondary school from 1 April 2014.

Who will receive the grant?

St Peter's has decided that a school uniform grant of £80 per eligible student will be paid automatically to all students transferring into year 7 in September 2026 who have been in receipt of free school meals at any time during their time in primary school (so called 'ever 6' free school meal students).

What can the grant be used for?

The grant is a contribution towards the cost of your child's school uniform. This includes all the compulsory St Peter's items as well as any other items which need to be worn as part of the school uniform including, for example, shoes.

How is it paid?

It is a one-off payment and does not have to be paid back. However, if it is found that a grant has been claimed fraudulently then we will require you to repay it in full.

Who is the payment made to?

We will make the payment by bank transfer. Please can you provide details on the reply slip below.

When is it paid?

We will pay the grant as soon as we receive the final confirmation of student names and details. This is usually in June.

I don't currently get free school meals but think I may be eligible. How do I apply?

To apply for free school meals please visit;
